Concept for story:

1. Possibly horror?
 - a. Like you are exploring an abandoned building or something
 - b. Security officer in an haunted pizza place (not the fnaf reference)

2. Romance?

- a. You meet a person somewhere and you fall in love
- b. Sothing based off of a date with death lol
 - i. So you are a protector and you get messaged by a reaper who mistakes you for a human and the reaper has to reap your soul but you are immortal. (ie adate with death but with diffrent lore lol)

3. Fantasy

- a. Something based off of a DND campegng where you have to fight somthing or something.
- b. You are a witch and you have to blend in with the rest of the others to not get caught
- c.

4. Anime related

- a. Like you are a new student at Jujutsu High, and a cursed spirit arrives
- b. Same thing as the jjk one but instead you are a student at UA and a villain attacks

5. Apocalypse

- a. It would've been like a few years after the end of the world. And you are going around a wasteland trying to navigate what happened. (this is very fallout)
- b. You are trapped in a zombie apocalypse with your best friend and they have been bitten by a zombie and you and them have been
