

Game Soundtracks as relating to its Aesthetic

Andrej Colovic, Jonathan Enriquez, Zachary Vega

Bloodborne - Final Boss + music

Street Fighter V

The main menu music in Street Fighter V is one of the songs on the soundtrack that fit the game more and help you to get into the state of mind to get ready to fight your opponent. It helps set the atmosphere a lot more.

<https://youtu.be/WeE0GFs7gWs>

Titanfall 2

The main theme for titanfall 2 is probably one of my favorite themes and it really compliments the game itself and the world it made

Team Fortress 2 vs. Overwatch

Team Fortress 2 (Main Theme)
Valve Studio Orchestra
