

**Spencer
the
spoon?**

**I got a
perfect
idea**

Horror
Romance
about a spoon
that will never
find love

we need
spoon name
and character
traits

heres a
character trait:
hes dull and
he needs to be
shined

Horror element:
Spencer travels
through the sewers
with rats and travels
through pipes:
dangerous sewer
dwellers.

the enemies
are other
kitchen
utensils

war against
other utensils?
jealously even?
kinda fits the
romance part

**yandere
simulator
but with
silverware**

spencer's best
friend is a
McFlurry
spoon

**Background: After
Spencer's girlfriend
Kelly the knife left
him, Spencer made
it his goal to go out
and explore the vast
kitchen land, hoping
to find his next
partner.**

Horror and cute
stuff. getting
jumpscared by
stuff that ain't
supposed to be
scary

**Spencer was being
washed and he gets
dropped into the
garbage disposal so
he's all damaged
and stuff and he
must escape**
