

# War

Game is a FPS of a young soldier

follows fallen soldier's kid

character's views on war changes from taking it light to serious

terrorist attack causes kid to join war

Just to learn more about war

**NPCS- Almost always die**

First level - Starts off as a rookie in boot camp

Second Level- Deployed to guard an outpost

**Levels 3-5 - battlefield levels idk**

**Level 6- Gets taken as a POW**

One of the NPCS is your best friend, he dies midway through the war in front of Chad.

Details- His name is Chad and he's white. He looks like a Chad.
