

## DaRango

DaRango was a lizard who was enslaved by robots to do their pick of Power cells that grow on trees. He was a very strong willed Lizard but it wasn't till he discovered the kidnapping of his wife from the life he had before, Losing the only thing he had that was a reminder of his past happiness, DaRango goes into a blind rage and kills every robot searching for it. Rango before he was enslaved (Pre-The Great Gear War) He was an EX-Swat Officer, So using his training that was for protecting his people. He uses it to dismember robots and kills everything till he finds his wife. His wife is not only beautiful but was also a scientist who did terrible things and possibly created these robots. Without DaRango even knowing, When DaRango finds out that His wife is actually The Robot Queen who switched out her lizard parts for mechanical parts, It shatters his and created a rift between his love for her and robots.
