

# *The Yeastiary*

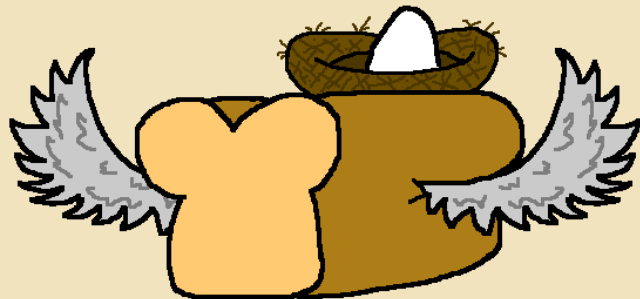

## Crumm

*Crumm is a simple guy. He enjoys loafing around and murdering in broad daylight. He hungers.*

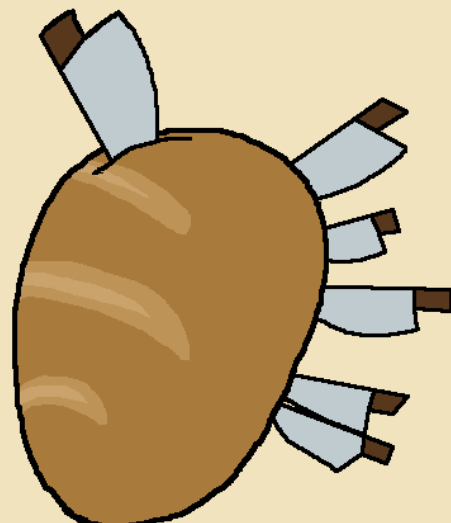

## Loafi Hip-Hop Beats to Bake and Relax to

*You must refer to them by their full name. Anything less and they will not recognize that you are speaking to them. All of them carry an egg of unknown origin so that it may one day be used in a balanced breakfast. Rumors have it that they ingested a pigeon to gain its wings.*

## Swiss Army Roll

*The lone survivor of the fall of the ancient Great Civilization of Sandwiches due to his thick crust. In its time, he attempted to join its military, which involved a strenuous initiation process in which he would be cut in half and filled with various ingredients. However, his crust was simply too thick for the initiation knives to penetrate.*

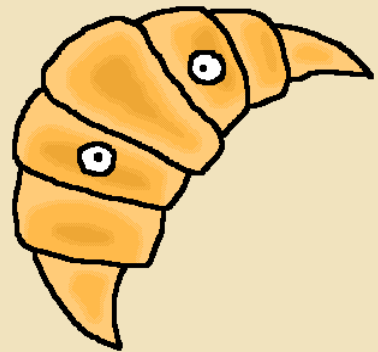

## Fruit Rye

*A descendent of the Rye species, which evolved rapidly due exposure to radioactive fruit jam from an accident at a nuclear power plant. Its mutations have caused it to become extremely erratic, and it has become drawn to sentient life in an attempt to regain its brain's stability through violent parasitic harvest.*

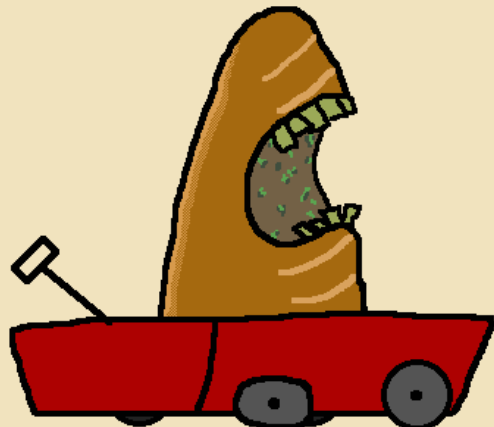

## Craig

*Craig likes fishing.*

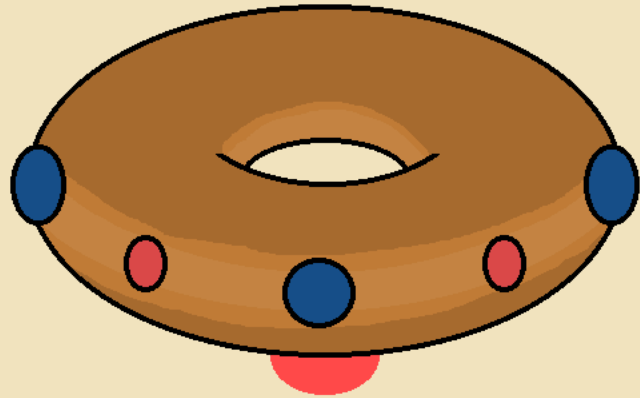

## G. Crusty Wheelz

*His rancid breath has drawn all of his friends away. Wheelz now lives afraid of companionship, now using his breath to repel others so that he may wallow in his solitude.*

## Legab Saucer

*The Legabs are an advanced society of bread aliens from the distant planetoid Gluto. They came to Earth in search of valuable mineral resources such as the elusive Cream Cheese of the West, which they had found in the possession of the Baker, and promptly launched a full force attack on the Baker's tower.*

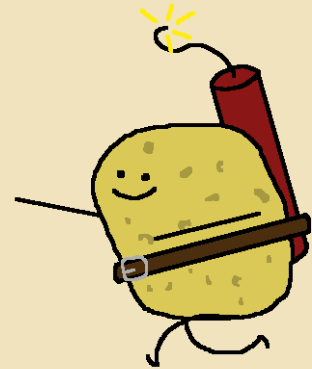

## Billy Cob Joel & Straw

*Coming to the West from the Wester West, Billy Cob Joel rides his trusty steed, Straw, in order to find the most valuable items to sell on the Burnt Market. He knows of the Cream Cheese of the West's live-giving properties, as he used a small sample of it to bring life to his scarecrow horse, and plans to acquire more of it to make millions.*

## Bombergraham

*He just wants to give you a hug. Let him.*

## Dr. Duncan

*Dr. Duncan earned his medical degree to pursue his search for a cure to his sugar-induced mutations which turned him into a donut. His research has brought him to the conclusion that the Cream Cheese of the West may be the solution.*

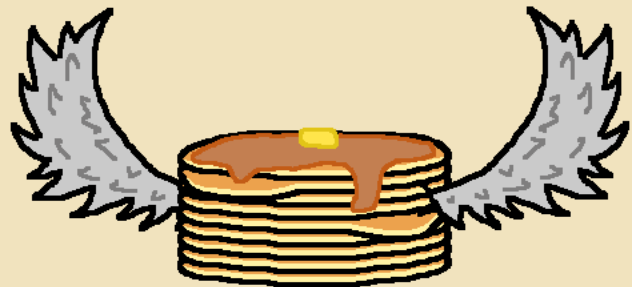

## *“Knead for Speed” Johnny*

*As a kid, “Knead for Speed” Johnny once slipped on a stick of butter he dropped on his kitchen floor, and he has never stopped slipping since. He’s not entirely sure of who the other breads are, or why they’re trying to break into a baker’s tower. He just saw the slopes surrounding the tower as a perfect opportunity to go fast and do sick tricks.*

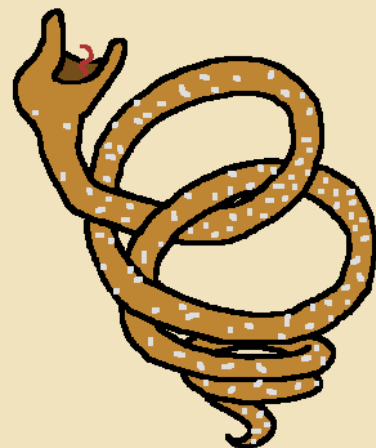

## *Flapjack*

*Flapjacks are demonic creatures that steal souls from the underworld and use them to torment the living. Souls are trapped in between the pancakes that make up the Flapjack, and the Flapjack will throw these soul-infested pancakes at the weak.*

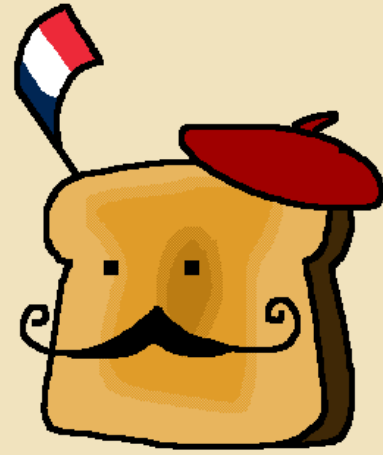

## *Pretzlither*

*A runaway pet which accidentally strangled its owner to death. It mistakes the vibrations of the turrets for its owner, and will attempt to hug them, only to destroy them in the process.*

## Napoleon Bunaparte

*He's not actually French, he just likes the cultural dances.*

## Wheatly Jr.

*He just wanted to play Catch with his dad, but accidentally ended up eating him in the process (don't ask). Now he carries his Explosive Catching Baguettes™ as he wanders the wasteland, hoping someone will one day play Catch with him.*
