# Teen Participant Manual

Summer  
2023

[afterschoolmatters.org](https://afterschoolmatters.org)

Dear **After School Matters** Participant,

Congratulations! You have been selected to participate in an After School Matters program. Whether this is your first time or your fifth, we are pleased to have you with us!

After School Matters is committed to providing quality programs that are both interesting and educational. Please take full advantage of all that your program offers. By working with our expert instructors, you will explore new areas and develop critical skills; including leadership, problem solving and life skills that will prepare you for work, college, and beyond.

We have created this manual to make sure you understand what you can expect, and our expectations of you while in an After School Matters program. Please read it carefully because there are some new and exciting changes. Specifically, pay close attention to the sections about signing the Program Acknowledgment and Consent and Release form, the new attendance policy, and the new Teen Pay and Stipend Page where you can determine if you are eligible for your stipend. If you have any questions, please speak with your Instructor, or contact the number or email listed in each section.

This is a time to have fun, meet new people, and engage in what we hope is a life-changing experience! Enjoy and we look forward to your participation!

Sincerely,

Mary Ellen Caron  
Chief Executive Officer

## Program Components

### Program Schedule

Your Instructor/Site Supervisor will provide you with the specific days and times your program will meet each week.

	All Programs
Summer 2023 Start Date	Monday, June 26, 2023
Summer 2023 End Date	Saturday, August 5, 2023
Summer 2023 Non-Program Dates	<ul style="list-style-type: none"><li>• Monday, July 3: Day Before Independence Day</li><li>• Tuesday, July 4: Independence Day</li></ul>

#### Orientation

On the first day of program, your Instructor/Site Supervisor will **review this manual and other expectations and rules for the program.**

#### Field Trips

Your **parent/guardian must sign a field trip permission form** for participation in each field trip. Unaccompanied youth (youth who are not in the physical custody of a parent or guardian) who are 18 and older may sign the form on their own behalf. Most field trips are part of program hours and are not optional.

#### Showcases

To celebrate the accomplishments that you and your peers have made during After School Matters programs, you may participate in a Showcase at the end of a program session. This event may include **an open house or staged event where family, friends and other special guests are invited.** All teens are expected to be a part of the showcase as a participant and respectful audience member for other After School Matters programs.

### Site Visits and Media

Official representatives of After School Matters or other affiliated partners or agencies may visit your program at any time. You may be asked to talk with these representatives about your experience in the program and what you are learning. In addition, many media outlets and reporters are interested in After School Matters and our programming. The After School Matters Communications team may arrange media visits to your program throughout the program session.

If your Program Acknowledgement, Consent and Release form is signed by a parent or guardian, you are eligible to take part in media opportunities through After School Matters. You are expected to **wear your After School Matters t-shirt when you are participating in any media opportunities** unless your Instructor tells you otherwise.

### Survey

Your opinions and experiences are important to us! During the last week or two of programs, **you are required to complete an online survey** about your experiences in your After School Matters program. This information helps After School Matters improve the quality of programs. Your responses will also be given to your Instructor/Site Supervisor anonymously.

The survey will help you identify specific skills you gained through the program. Please write those skills down; you will need to speak about them in interviews for school or for a job.

### Final Product Policy

After a final product piece has been showcased in the Gift Shop for 2 sessions, After School Matters decides if the item should be kept in inventory for future events or sales, such as a pop-up shop, exhibit, a specific promotion, or if the item can be returned to the teen artist. If the item is eligible for return, you will be contacted to pick up the item during Gift Shop hours: Monday - Friday at 11:30am-5pm, Saturday and Sunday, closed.

## Policy Modifications and Accommodations for People with Disabilities

After School Matters is committed to full inclusion of people with disabilities in our activities and services. We welcome teens with disabilities and seek to integrate them into our programs. For example, we can modify procedures for applying for programs, as appropriate, and we provide reasonable accommodations, such as sign language interpreters. If you are requesting a reasonable accommodation to participate in a program, please notify your Instructor.

### Program Regulations

## **Complaints or Concerns**

After School Matters has established the following procedure for teens to resolve any complaints concerning the program. These complaints could relate to program and instructor quality, inappropriate behavior, unfair treatment, discrimination, fraud, requests for you to pay a participation fee, abuse, or harassment, among other complaints.

You may, but are not required to, raise your complaint first to your instructor, site supervisor, or liaison. If you are not comfortable bringing your complaint to them or do not feel they have adequately resolved your complaint, you may email After School Matters at [incident@afterschoolmatters.org](mailto:incident@afterschoolmatters.org) or contact the Director of Program Quality and Compliance (312-702-8585).

After School Matters takes all complaints seriously and will work with you to address them in a timely manner.

**Please Note:** If your complaint concerns the conduct of your **Liaison or Instructor/Site Supervisor** and you are not comfortable raising your complaint directly with them, please e-mail: [incident@afterschoolmatters.org](mailto:incident@afterschoolmatters.org) or call After School Matters (312) 702-8585 and ask for the Director of Program Quality and Compliance.

## **Attendance Policy**

To ensure that you have a productive and enriching experience, we expect you to attend, and arrive on time, each day of programs unless you have provided written permission from a parent or guardian.

- **Teens cannot have more than four (for in-person programs) and two (for remote programs) absences (see table below for program models) to be eligible for their full stipend.**
- There are consequences for poor attendance. If you have more than four absences (for those attending in-person programs) and two absences (for those meeting remotely), you may receive a partial, or no stipend check at the end of the program. You also may be dropped from the program.
- You are expected to attend programs every day, for the entire duration of the program time.
- Please contact your instructor if you're going to be late.
- Unexcused tardiness (15 min late or leaving 15 min early) will count as an absence and may result in parent/guardian notification.
- In the event that a teen will be absent from programs or leave programs early, teens should submit written permission from their parent or guardian in advance. These will still be considered absences for purposes of stipend eligibility.
- If you are absent from a program without notifying your Instructor/Site Supervisor in advance, they may call your parent or guardian to notify them about your absence.
- If your Instructor cancels a program day, he or she will make every effort to notify you and your parent/guardian in a timely manner.
- If the program is rescheduled, you should be available on the rescheduled day.

## **Supported Behavioral Management Policy**

The Supported Behavioral Management Policy applies to the After School Matters' program day when teens are traveling to and from programs, during program hours, and at any After School Matters related event. If you engage in unacceptable behavior, you may be subjected to restorative practice, terminated, and/or forfeit your stipend. Examples of unacceptable behavior include, but are not limited to:

- Physically, verbally, and/or sexually abusing or harassing any program participants, Instructors, Site Supervisors, Liaisons, or ASM staff members in person or via the internet
- Engaging in violent or threatening behavior
- Being disruptive, disrespectful, or uncooperative
- Using curse words, sexual, or vulgar language

- Leaving the premises during program hours without Instructor/Site Supervisor/Liaison permission
- Knowingly using a social security number or individual taxpayer identification number (ITIN) that is not your own
- Cashing an After School Matters stipend check twice

**Please Note:** You must also abide by the rules and regulations that exist for the program site (i.e. if your program meets at a school that does not allow gum chewing, you cannot chew gum in the program).

If you are engaging in unacceptable behavior, your Instructor/Site Supervisor may issue you verbal or written warnings, or may terminate you, depending on the conduct at issue. Instructors may notify your parent or guardian, as appropriate.

## **What should I know about stipends?**

### **Stipend Eligibility**

Apprentices are eligible to receive a stipend. In order to be eligible for a stipend and receive it on time, here are the guidelines:

- **A stipend, unlike a wage, works on an "all-or-nothing" basis. Failure to meet our requirements does not result in a reduced stipend, but a forfeit of stipend.**
- Submit all required forms, projects, and other assignments on time (see Stipend Schedule)
- Provide valid City of Chicago address and information for SSN/ITIN\* to receive the full stipend.
- New participants should turn in the Program Acknowledgment Consent and Release (PACR) Form, signed by you and your parent or guardian. An exception to this: unaccompanied youth (youth who are not in the physical custody of a parent or guardian) who are 18 or older may provide written consent on their own behalf. Returning participants do not have to complete an additional PACR.
- You must start attending the program by the cutoff days of each period (see Stipend Schedule, under "Must Attend By") and you must participate through the end of the program to get the final stipend.
- There is a **maximum of four absences (for those attending in-person programs) and two absences (for those meeting remotely)**. If you have more than the maximum absences during the program session, you may receive a partial, or no stipend; but you may still participate in the program. See attendance policy on page 11 for more details.

- Please note that if your program is cancelled for whatever reason, it will result in the loss of the stipend for all participants.

\* If you are in an apprenticeship, an Individual Taxpayer Identification Number (ITIN) can be accepted. To apply for an ITIN, go to <https://www.irs.gov/individuals/how-do-i-apply-for-an-itin>.

## **Stipend Distribution**

After School Matters has transitioned away from paper checks and moved towards paying teens via two options: direct deposit or Wisely Pay by ADP Card.

- Your Wisely card will be sent to the address submitted on your application and delivered via USPS. You will receive an email from Teen Stipends confirming your Wisely enrollment and can expect to receive the card 7-10 business days from the date of that email.
- Teens who do not have a SSN# on file or are 13 years of age cannot be enrolled onto the Wisely card. Teens who are 13 years of age and are eligible to receive payment will receive a paper check that will be mailed to them on the given stipend dates for the session.
- When you receive your Wisely Pay by ADP card you must activate it right away at [ActivateWisely.com](http://ActivateWisely.com) or by calling the number on the back of your card.
- You will receive your Wisely card with a voucher that looks like a check. The checks that come in your Wisely kit are for emergencies only. They provide access to your money in case your card is lost or stolen.
- If your Wisely card is lost or stolen, you may receive one free replacement by calling Wisely at 866-313-6901. If you lose your free replacement card, you will be charged \$6.00 to receive a new one.
- If you signed up for direct deposit, your direct deposit goes through a verification process. If your account information is not verified, you will be enrolled to receive all future payments through the Wisely card.
- If you've had a change of address, please alert your Liaison/Instructor/Site Supervisor of the change as soon as possible so that it may be updated in Cityspan and your Wisely card or check can be delivered to the correct address.
- If you received a check that is lost, stolen or never received, Teen Stipend Hotline at 312-768-5199 or go to <http://www.afterschoolmatters.org/teens/resources-for-teens> and click on the Documents tab of the Resources for Teens web page for the Replacement Check Form.
- If you receive a duplicate check for any reason, please notify the Teen Stipend Hotline at 312-768-5199 before cashing either.
- After School Matters teens are able to cash their stipend checks for free at any Chicagoland Wintrust Bank location. Teens are required to provide one of the following to cash a check: School ID, State IDs and Driver's License. For the nearest Wintrust Bank location, go to: <http://www.wintrustbank.com/locations.html>
- Stipend checks should only be cashed one time at one bank location. Teens who attempt to deposit a check twice will face disciplinary action, including forfeiting stipends, and termination from the program.

You can now confirm your program status and manage your stipend or wage eligibility. This resource will provide you with an overview of the following:

- Enrollment status
- Google Classroom information
- Teen Pay and Status (is my checklist complete?)
- Ventra information (summer only)
- Program Application Status

You can confirm if you are on track to receive a stipend or intern wage. If you are missing information, your Teen Dashboard will provide you with a list of what is missing and a link for you to submit information or documentation. In addition, this resource will also provide clear instructions to follow if you are not enrolled in a program. **You will need your application number to access this Teen Dashboard page within the teen application** at <http://www.afterschoolmatters.org/teens/apply/>. The application number was provided in the enrollment notice provided to you and the parent/guardian email on file.

If you need your application number, please call **312-742-4182** or email [applications@afterschoolmatters.org](mailto:applications@afterschoolmatters.org).

## **Tax Information**

### **Apprentices**

If you are a **pre-apprentice, apprentice, advanced apprentice, or assistantship** who receives a stipend, taxes are not taken out. If you receive at least \$600 over the course of the calendar year (January 1- December 31) from After School Matters, you will receive a 1099 tax form the next January. The 1099 form lists the amount of money that you received from After School Matters during the year. It is a tax form you may give to your parents. Please note, funds received for Ventra will be reflected on your 1099.

**If you were in both an internship and apprenticeship during the same year, you will also receive a W2.** This is a tax form that you may give to your parents.

After School Matters must report to the government (IRS: Internal Revenue Services) money totaling \$600 and above that you received.

### **Interns**

As an intern, After School Matters will withhold taxes from your paychecks (as required by law), and you will receive a W-2 regardless of the amount you receive during the year (January 1-December 31).

W-2 wages are also reported to the government (IRS: Internal Revenue Services).

### **Apprentices, Interns, Assistants**

After School Matters will mail your tax form (1099 or W-2) next January. If you move, it is your responsibility to call 312-768-5199 to inform After School Matters of your new address. You may also e-mail your new address to [teenstipends@afterschoolmatters.org](mailto:teenstipends@afterschoolmatters.org) provided you include your name and date of birth.

*If you or your family have questions about how to handle the information on your tax form, you should consult a tax advisor. To find resources for free tax assistance, call City Services at 311 or visit <http://taxprep.cityofchicago.org/>.*

**All Other Stipend Questions: Please call the Teen Stipend Hotline: 312-768-5199.** We are open Monday through Friday, 9am to 5pm.

### **Participant Forms**

In order to participate in After School Matters programs teens must have a signed Program Acknowledgement, Consent, and Release (PACR) form on file. If you are a new participant, you must e-sign the PACR form as part of your program application and have your parent or guardian sign the form as well. Returning teens do not need to re-sign. Notify your Instructor immediately if you have any questions about the forms. Use the “Map to Getting Your Stipend on Time” as a guide.

### **Teen Artwork Purchasing Form**

All work that you produce in your After School Matters program belongs to After School Matters. Your work may be sold in the After School Matters Gift Shop, located at 66 E. Randolph Street, through our online Gift Shop or at an auxiliary After School Matters Gift Shop location. Revenue from the gift shop is used to fund future After School Matters programs. You may purchase your own work at a discounted rate. If you would like to purchase your work, please ask your Instructor for a Teen Artwork Purchasing Form and return it to him/her completed. Moreover, if your item does not sell within two program sessions, it may be returned to you.

### **Lost/Stolen Check Form**

If your stipend check is lost, stolen or damaged, please ask your Instructor for a lost/stolen check form and return the completed form to your Instructor or Liaison (or e-mail TeenStipends@AfterSchoolMatters.org). You may also complete a form online in the ASM Programs tab at: <http://www.afterschoolmatters.org/teens/resources-for-teens>. The form will be given to After School Matters and a new check will be issued. If you are no longer in the program when you complete this form, you may also send it directly to After School Matters using any of the following methods:

In exchange for the opportunity to participate in an After School Matters program, including Pre-Apprenticeships, Apprenticeships, Internships, Assistantships, and Master Classes (together, the “**Program**”) and be eligible to receive a stipend award, the teen participant (“**Teen**”) and their parent or legal guardian (“**Guardian**”) agree as follows:

**Breaks:** Teen may be permitted to take a break during Programs to eat a snack, among other reasons. These breaks may be unsupervised or take place off program premises. Teen and Guardian (collectively, “**They**”) agree that After School Matters is not responsible for Teen during such breaks.

**Assumption of Risk:** Teen and Guardian understand that participating in Pre-Apprenticeships, Apprenticeships, Assistantships, and Master Classes, whether remotely or in person at a program site, carries certain risks to Teen or property that cannot be eliminated regardless of the care taken to avoid injuries, illness (including COVID-19), or damage. The specific risks vary, but range from 1) minor injuries such as cuts, bruises and sprains, to 2) major injuries such as eye injury, back injuries, and concussions, to 3) catastrophic injuries, including paralysis or death. Teen and Guardian understand that no amount of care, caution, or expertise can eliminate the inherent dangers of activities in Pre-Apprenticeships, Apprenticeships, and/or Master Classes, and They elect to participate in spite of the risks. Participation is voluntary, and They assume all risks.

## Medical Consent and Release

Teen and Guardian are not aware of any medical conditions which would render it inappropriate for Teen to participate in a Program. Teen and Guardian consent to Teen receiving medical treatment, including first aid and emergency transport, in the event of accident, injury, or illness. They authorize the use or disclosure of health information for purposes of securing medical treatment. They agree that they may be required to pay all or most of the expenses incurred for such treatment.

**Release and Waiver of Liability:** Teen and Guardian agree to release and hold harmless After School Matters, ASM QALICB, the City of Chicago, Chicago Public Schools, the Department of Family Support Services, and the Chicago Park District and their respective directors, officers, agents, and employees (together, the “**Participating Entities**”) from any and all liability, and forever give up any claims, demands, or causes of action, whether for bodily injury, property damage, death, or other loss, arising from Teen’s participation in a Program, excluding Internships whether caused by the active or passive negligence of a Participating Entity or otherwise, to the fullest extent permitted by law.

**Teen Work Product:** All written materials, videos, audiotapes, photographs, drawings, paintings, sculpture, choreography, or similar product created by Teen (“**Work Product**”) during a Program is the property of After School Matters and is a “work made for hire” within the meaning of the federal Copyright Act. To the extent that any Work Product does not qualify as a “work made for hire,” Teen and Guardian grant, assign, and deliver to After School Matters all rights, title, and interest to the Work Product. As a courtesy, Teen will be permitted to keep one original or copy of Work Product that they create for personal use. Teen work completed during an Internship may be the property of the organization, company or partner, based upon the organization and company policies.

**Community Safety Protocol:** Teen and Guardian will adhere to After School Matters safety protocols and consent to the use of metal-detection wands, bag/backpack checks, and image scanners to detect sharp objects or potential weapons when entering an After School Matters facility, where applicable. These community safety protocols apply to all visitors of ASM buildings and are designed to ensure the safety and security of teens, guardians, staff, and the entire After School Matters community.

**Photo, Video, and Media Consent and Release:** Teen and Guardian permit After School Matters, as well as third-parties and media outlets authorized by After School Matters, to use Teen’s name and any video, photograph, quotes, or audio taken of Teen in connection with Programs for purposes of advertising, fundraising, publicity, and public relations.

**Research & Evaluation Consent and Release:** Teens provide information to After School Matters, including information submitted during the application process and in teen surveys. This information may be shared with third parties for the purpose of implementing and evaluating Programs. Teen and Guardian consent to the release of such information to these third parties.

**Remote Engagement:** Due to public health or other concerns, Program may be offered remotely, either entirely or in part, through an online platform (“**Remote Program**”). Teen and Guardian consent to communication with After School Matters staff, other Program participants, community-based organizations, businesses and other partners that provide Program(s), through Google Workspace or any other After School Matters approved online platform or other After School Matters approved methods to ensure full participation in in-person or remote Program(s).

Teen and Guardian acknowledges and agrees that during the Remote Program, Teen may complete independent program assignments (e.g., running, biking, taking photographs, cooking, etc.), indoors and outdoors. Guardian agrees to monitor and supervise Teen and

accepts responsibility for Teen during the Remote Program. Teen and Guardian agree to report to After School Matters any accident, and unusual or inappropriate interaction that occurs during remote engagement and/or completion of activities and program assignments.

For some Remote Programs, After School Matters and/or its community-based partners may deliver program supplies such as cookware, painting supplies, technology devices, etc. ("**Program Supplies**") to Teen's residence based upon Program requirements. Teen and Guardian consent to the delivery of Program Supplies to Teen's residence and will accept accordingly. Teen and Guardian are responsible for the use of the supplies and equipment provided.

**Mobile Device:** To ensure full participation in remote engagement, a mobile device is available, if needed. If Teen or Guardian request a mobile device for Teen's use, Teen and Guardian consents to an automatic reduction of Teen's stipend by \$25 , without further consent required, to defray the total cost of the mobile device. Upon delivery and acceptance, the mobile device becomes the permanent property of Teen.

**Enforcement:** This Program Acknowledgement, Consent, and Release shall be construed broadly to the maximum extent allowed by law, and shall be governed and enforced according to Illinois Law. Teen and Guardian agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.

**I acknowledge that I have read and understood this entire agreement and agree to be bound by its terms.**
