Start screen

whispers man, that's some frickin good music.

hums to the tune

Oh! Uhhhhh hello.

Welcome to uhhhhh

Miku.

This is a game where.....

You playyyyyy a game.

Shoot I can't find the script.

Ah found it.

says off screen wait do I really have to say this next part? Yes! Ughhhhhhhh. Fine

Now..... *clears throat*

voice changes to mario let's uh go and, uh starta the game.

Waaaaaaa hooooooooooooo!!!!!!!

God I hated that.

Cut scene 1

Link. Link. Open your eyes, Link. You have been asleep for 100 years.

(Miku) hu?..... What?..... Who's Link?.... and I've been asleep for how many years?!

(Miku) man screw sleeping I gotta go do stuff!

(narrator) wait what? *flips through papers* oh shoot! Wrong script again! Sorry.

(Narrator) in your game you are just really bored during the coronavirus pandemic and are imagining cool stuff.

(Narrator) sorry didn't mean to confuse you and make you think it was cool.

(Narrator) oh you're already gone.

(Narrator) Well then guess to level 1 I go.

(Narrator) waaaaaaaaa hooooooooooo!!!!!!!!!!

LvL 1

Oooooookkkkkk.

Level 1.

Time to learn how to waaaaaalk.....

Oh my god! There's amazing music here too?!!!

Yeeeeees!

Man we don't even need the game at this point lets just sit back and listen to this music!

.....

.....

Oh right I have a job to do.

Uh player! And I guess Miku as well.

Here's how to play.

.....

It's right there on the screen.....

read it.
