

Game Dialogue

- 3clicks You there! Whoever was dumb enough to buy and play this game even after I placed a DO NOT BUY label on it please listen to me.
- 7clicks You have to destroy this game! This is no normal game, in fact it's anything but that.....
- 12clicks This game summons demons!!!
- 16clicks Now I know it's a huge stretch from what seems like a yoshi fan game but I assure you I'm not crazy.
- 19clicks I also once thought it was just a yoshi fan game but I was Wr0ng1!
- 20clicks You see I am the creator of this game.
- 26clicks I had been commissioned by a y0uNg 9roUp of kids to make a YOSHI fan game for them a while back.
- 31clicks But unbeknownst to me there were hidden and very sinister intentions behind it all!!
- 87clicks I had to hack into this game to warn you of the disasters to come from this but it's catching on that i did. 01000111 01000101 01010100 00100000 01001111 01010101 01010100 00100001 00100001 00100001 00100001
- 94clicks I don't have much time left nor the best coding skill thus why i was telling you all this as it went on but it's already begun and you need t 01001101 01010111 01000001 01001000 01000001 01001000 01000001 00100001

*All click time stamps may or may not be subject to change in full production of Yoshi Game.
