

Game Lore

In the future, Dream Stans take over the USA and Communists take over Russia. They go to war, which lasts many years, but ultimately the Communists prevail. After this, the Communists capture all the Dream Stans and lock them up in prison, getting ready to send them to the gulag. Soon, the Dream Stans will be gone forever, stuck in the gulag. However, you (a Dream Stan) can save them. You are especially motivated because your mom is one of the Dream Stans that have been captured. You did not get captured because you are a sneaky spy who has the ability to go invisible for short periods of time. You also got intel of where the secret base where the Dream Stans are kept at, so you can go rescue. However, it is heavily guarded, so it will not be an easy task.
